

# New Hep C Treatment

Have you heard? Things have changed!  
Getting cured has never been easier

Red  
thread+

**The NEW Treatment:**

Takes 8-12 weeks

Just 1-3 tablets a day

Well-tolerated with few side effects

Low cost with a Medicare card

Over 95% of people get cured!

Available from GPs, Aboriginal health services,  
sexual health clinics, and youth health services
